DOORS AND WINDOWS

THE OS29+

EXCEPTIONAL PERFORMANCE

EXQUISITE AESTHETICS

EXPERTLY MANUFACTURED

Designed to perform and built to last, the OS29+ is more than a sliding door - it's a statement. Beautifully engineered and flawlessly made, this ultra-slim aluminium sliding door invites the outside in, blurs the boundaries between home and garden, and fills every space with light.

Whether you're extending, renovating, or building your dream home, the OS29+ makes every moment feel bigger, brighter, and more connected.

Turn over to discover why it's not just a sliding door – it's a lifestyle upgrade.

FRAMED IN LIGHT

With sightlines of just 29mm, the OS29+ maximises glazing and minimises profile. It strikes the perfect balance between ultra-slim sightlines and unparalleled security and performance, helping deliver uninterrupted views and an abundance of natural light whilst keeping your home and family safe and protected.

EFFORTLESS ELEGANCE

Thanks to an all-new concealed running gear system as well as a flush stacking option, the OS29+ glides smoothly and stacks beautifully - no visual clutter, no compromise on style - just effortless operation.

DESIGN THAT LASTS A LIFETIME

Built from premium-grade aluminium and backed by a guarantee of up to 20-years, the OS29+ is designed to stand the test of time - with striking looks and unmatched performance that last, year after year.

UNMATCHED THERMAL PERFORMANCE

The OS29+ achieves U-Values as low as 0.78 W/m²K - making it the most thermally efficient aluminium sliding door in the UK. That means your home stays cosy, efficient and comfortable, all year round.

MADE TO MATCH YOUR HOME

From timeless tones to bold statements, choose from over 150 RAL colours, all powder coated in-house for a flawless, durable finish. Whether you opt for a contemporary or classic shade, there's a colour that's perfectly you.

DETAILS THAT DELIGHT

The new Signature Knurled handles are a tactile finishing touch - beautifully refined, and designed to pair seamlessly with Origin's wider product range for a cohesive look throughout your home.
